

**CHILLER SERVICES**

**Demanding Buildings Demand the Best, Experience the Mesa Quality Difference**

For over 40 years, EMCOR Services Mesa Energy (Mesa) has provided its clients with high quality mechanical, commercial HVAC, and building automation consulting and services. As commercial HVAC contractors with the knowledge and experience to also provide commercial boiler repair and chiller services, **the Mesa team of specialists is ready to take on virtually any mechanical challenge that arises.**

**Hundreds of Projects, 13 Major Markets Served:**

- Healthcare
- Commercial/Industrial
- Education
- Sports & Entertainment
- Retail
- Government
- Data/Call Centers
- Financial Services
- Telecommunications
- Pharmaceutical
- Biotech
- Semiconductor
- Gaming/Casinos

When properly maintained, chillers not only provide critical comfort needs to people and equipment in buildings, but they also help reduce operating costs through increased energy efficiency—all while extending equipment’s useful life. Mesa provides a comprehensive package of expert chiller services designed to keep facilities running at peak productivity.

**EPA Certified, Factory Authorized**

As the region’s largest independent chiller group, Mesa’s EPA-certified and factory-authorized experts offer high-quality, single-source chiller services. We have vast experience servicing machines from manufacturers such as those listed below. Mesa also offers replacement/enhancement products and energy saving upgrades for these lines and more:

- Carrier
- Dunham Bush
- McQuay
- Trane
- York
- Multistack
- Smardt
